

Design your own Jackie Robinson baseball card!

- ✎ **Directions:** Read “Jackie Robinson Breaks Baseball’s Color Barrier.” (10 minute silent read, right now!)
- ✎ You will design a two-sided baseball card! The front side will feature a heroic illustration of Jackie Robinson as the first black baseball player. The rear will feature the following information: 1) A brief biography of his early life, 2) his career stats as a baseball player, 3) A summary of how he helped to break the “color barrier” and forward the cause of civil rights.
